Dear Name,

For 40 years, Holston Habitat for Humanity has been changing lives—one home at a time. We've built **265 houses** and completed over **100 critical repairs**, giving hard-working families a safe, affordable home of their own. This ministry has created a blueprint for offering families a hand-up, not a hand-out. And we aren't stopping now.

This year, we'll celebrate serving over **400 families**—and we need **YOU** to help us keep building dreams.

Join us on **Saturday, Nov 8th at Waterstone in Johnson City for Blueprints & Bubbly**, our very first gala! It's going to be *an incredible night*—a champagne reception, gourmet dinner, top-notch entertainment, and a celebration of the impact we've made **together**.

But most importantly? Every dollar raised will go to fulfill Habitat's life changing work, including building a 12-home neighborhood and rebuilding for our friends affected by Hurricane Helene. Your sponsorship will have a lasting impact for years to come.

Because at Holston Habitat, we don't just build houses. **We build homes, communities, and hope.** And your sponsorship doesn't just fund a project—it **changes lives**.

Be part of something unforgettable. Help families open the door to a brighter future.

Sponsorships are limited, so act fast! To learn more or secure your spot, return the enclosed form or email me at jwasem@holstonhabitat.org.

Looking forward to celebrating with you,

Jane Wasem, Director of Development
