Habitat for Humanity Age Restriction Guidelines

Individuals ages 14 and 15 can do limited work on the sites. They cannot do excavation, demolition, use power tools, roofing or work at heights above 6 feet. After the first phase of general construction is completed, they can paint, install floors, trim or landscape. Use of power tools by any volunteer is prohibited when there are 14 and 15 year olds on the construction site. They must be accompanied by an adult when working on the construction site. Individuals ages 14 and 15 are NOT permitted to work in the ReStores.

Those volunteers ages 16 and 17 can do general construction but cannot do excavation, demolition, use power tools, roofing or work at heights above 6 feet.

Anyone 18 and older can do any of the various construction-related jobs on the site.
